March 8, 2021

Dear Patients,

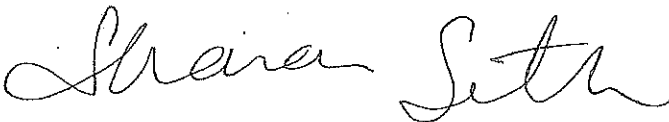

This letter is to inform you of my departure from Texas Regional Asthma and Allergy Center effective 4/30/2021. This decision was difficult for me and my family, but in the end, we chose to move out of state to be closer to family. It has been a great pleasure providing for your health care needs over the years.

I trust you will continue to receive excellent care at Texas Regional Asthma and Allergy Center. I hope you will continue with this office. If you do not plan to continue with this office, I advise you to contact your current insurance provider and see what providers are accepting new patients in the area. Your medical records are confidential, and a copy can be transferred to another doctor or released to you or another person you designate only through your permission.

If you choose to see a different physician, please go to our website, traac.org, and fill out the medical record request form. Please provide this to us as soon as possible so we may transfer your records to your new doctor. Until then, your records will remain on file at Texas Regional Asthma and Allergy Center.

I have greatly valued our relationship and thank you for entrusting your healthcare with me. Best wishes for your future health.

Sincerely,

Sharon Seth MD
