

Sharon Seth, M. D.

Dr. Sharon Seth completed her fellowship in Allergy and Immunology at the University of Texas Southwestern in Dallas under her maiden name Dr. Sharon Deol. During fellowship, she had the pleasure of treating both pediatric and adult patients at Children's Medial Center of Dallas, Parkland Memorial Hospital, and William P. Clements Jr. University Hospital. Dr. Seth is also a board certified internist and completed her residency in Internal Medicine at Northwestern Memorial University Hospital in Chicago, IL. She graduated summa cum laude from Drexel University in Philadelphia, PA, and was inducted into the Alpha Omega Alpha Honor Society upon graduation from Drexel University College of Medicine. Her clinical interests include environmental allergies, asthma, drug allergy, sinus disease, food allergy, eczema, hives, and immunodeficiency disorders. Dr. Seth grew up in the Northeast and has enjoyed living in various parts of the country. Outside of work, she enjoys skiing, trying new restaurants, and exploring new cities with her husband and friends.

Education and Professional Training

2003 – 2006 Drexel University, Philadelphia, PA

- Bachelor of Science in Biology
 - Combined 7-year Bachelor and Medical Degree program
- 2006 – 2010 Drexel University College of Medicine, Philadelphia, PA

• Medical Doctor
2010 – 2013 Northwestern Memorial Hospital, Chicago, IL

• Internal Medicine Residency
2013 – 2015 University of Texas Southwestern, Dallas, TX

- Allergy and Immunology Fellowship

Professional Affiliations

American Academy of Allergy, Asthma, & Immunology (AAAAI)
American College of Allergy, Asthma, & Immunology (ACAAI)
Texas Allergy, Asthma, and Immunology Society (TAAIS)
Texas Medical Association TMA
Alpha Omega Alpha (AOA)

Awards/Honors

June 2003
Drexel Presidential Scholarship, Full Undergraduate Tuition

June 2006
Summa Cum Laude

June 2010
Alpha Omega Alpha Society

August 2013
ABIM Board Exam, Top 10 percentile of test takers

November 2013
FIT Bowl Championship Winner

November 2014
FIT Bowl 2nd Place Winner
