

Olivia Elder, R.N., FNP-C

Olivia graduated with a Bachelor's of Science in Nursing in 2015 from Texas Christian University in Fort Worth, Texas. She worked as a Registered Nurse in the operating room in Dallas, Texas, for 5 years prior to graduating Magna Cum Laude with her Master's of Science in Nursing- Family Nurse Practitioner from Texas Woman's University in 2020. She practiced as a Nurse Practitioner in family practice/urgent care for one year, and then transitioned to her passion of asthma and allergy here at TRAAC.

She has her Family Nurse Practitioner Certification through the American Academy of Nurse Practitioners (AANP). She is also certified as an Advanced Practice Registered Nurse with Prescriptive Authority through the Texas Board of Nursing. She was a member of Sigma Theta Tau International Nursing Honor Society, as well as Delta Gamma National Panhellenic Sorority.

Olivia grew up in Southlake, and she graduated from Grapevine Faith Christian Highschool in Grapevine, Texas. Olivia and her husband live in the area with their boxer named Sebastian. Outside of work, she loves everything sports and enjoys trying new restaurants with her fellow foodie husband.
